Welcome

On behalf of the Board and staff of AllSteps Child Care (A.C.C.), welcome to our programs. We are pleased that you have visited us and we look forward to having your child join us.

We have prepared this handbook to help familiarize you with our philosophy, services provided, registration policy and operational procedures. Please feel free to ask our staff any questions regarding this program. If you have any questions about the applicability to any policy, please contact the Program Director. We look forward to enjoying a positive relationship with you and your children.

AllSteps Child Care is an “umbrella” organization for a number of programs, including:

- Kingston Home Child Care
- The Kids’ Place
- Woodbine Early Learning Centre
- Holy Name Before & After School Care

The Board of Directors is legally and financially responsible for its operations. The Board of Directors is a volunteer board with elections at an annual general meeting. Positions are held for a 3 year term.

Introduction

Woodbine Early Learning Centre is licensed by the Ministry of Education and operated by AllSteps Child Care.

Program Statement

AllSteps Child Care (A.C.C.) offers early learning programs that are consistent with the Minister of Education’s policy statement on programming and pedagogy issued under subsection 55 (3) of the Child Care and Early Years Act, 2014.

Our program statement reflects a view of children as being competent, capable, curious and rich in potential. AllSteps Child Care recognizes each child as a unique individual, building on their inquiry of the world and happenings around them; incorporating fun, creative and engaging activities for further investigation. By following their lead, we become partners in play.

Our program statement describes the goals that guide A.C.C.'s program for children at The Kids' Place, Woodbine Early Learning Centre, Kingston Home Child Care and Holy Name Before & After School Care.

Early learning and family support documents that we have reviewed, researched and implemented into our program include the following;

- How Does Learning Happen? (H.D.L.H.) Ontario's Pedagogy of the Early Years
- Early Learning for Every Child Today (E.L.E.C.T.), Excerpts from E.L.E.C.T.
- Think, Feel, Act: Lessons from Research about Young Children
- Ontario Early Years Policy Framework
- With Our Best Future In Mind, Implementing Early Learning in Ontario
- Modernizing Child Care in Ontario
- Building Our Best Future

A.C.C. also implements the principles of HIGH FIVE. HIGH FIVE® is a standard committed to assisting children along the path of healthy child development by:

- Ensuring that recreation and sport practitioners develop a high level of knowledge and expertise in child development;
- Helping parents to make informed choices and;
- Providing practitioners with the tools for enhancing and maintaining a high level of program quality.

Our approach is organized around H.D.L.H. four foundational conditions that are important for children to grow and flourish;

The four foundations ensure optimal learning and development. These foundations inform the goals for children and expectations for our programs.

Approaches

Educators and Home Child Care Providers will **promote the health, safety, nutrition and well-being** of the children by providing access to drinking water throughout the day, providing nutrition based on Canada's Food Guide, providing a clean and safe environment, limit transitions, reducing hazards that may cause undue stress to a child and unnecessary disruptions to play. All Educators and Home Child Care Providers will read and comprehend all information regarding any medical conditions, exceptionalities, allergies, food restrictions, medication requirements and parental preferences in respect to diet, exercise and rest.

Educators and Home Child Care Providers will **support positive and responsive interactions among the children, the parents and educators**. Management will ensure this through the hiring of qualified, competent and professional staff.

Educators and Home Child Care Providers **will encourage children to interact and communicate in a positive way and support their ability to self-regulate** by developing their self-regulation capacities. We will design our environments so they are attuned to children's varied sensitivities, arousal states, a need for maintaining a calm, focused, and alert state. We will support self-soothing behaviours and help older children to recognize stressors.

Educators and Home Child Care Providers **will foster the children's exploration, play and inquiry** by providing a variety of activities; science, music, outdoor play, nature, recycling, composting and technology.

Educators and Home Child Care Providers **will provide child-initiated and adult supported experiences**. Educators will learn about children using various strategies. They listen to the child's interests and listen to feedback from parents. Educators observe children in play to support their learning, development, health and well-being. Educators will bring an awareness of our community to the program. Educators create opportunities to engage with people, places, and events that call our community, home.

Educators and Home Child Care Providers **will plan for and create positive learning environments** for each child, which is inclusive of all children, including children with individualized plans, to experiment, explore and be supported in their learning and development. Educators view the environment as the third teacher, welcoming children's natural curiosity about Mother Nature with a variety of things such as; seeds, rocks, pinecones and live creatures.

Children participating in programs over six hours per day will experience **indoor as well as two hours of outdoor play, weather permitting, as well as active play, rest and quiet time**, being mindful of a child's needs and parental direction.

Educators and Home Child Care Providers welcome **parent engagement; open communication** and discussions, strengthening partnerships and valuing contributions. Communication may be by phone, email, social media, posted information and connecting in person (verbal and or written) with parents.

Health and well-being professionals will play an important part of the programs to **support all children, their families and educators** by providing a variety of community resources and connections; KidsInclusive – Centre for Child and Youth Development, K.F.L.&.A. Public Health, Maltby Centre and Youth and Community Living Kingston and District.

AllSteps Child Care **will encourage a continuum of learning and development** for Educators and Home Child Care Providers to engage in critical reflection, discussion and information sharing about pedagogy and practices. We will provide opportunities for Educators and Home Child Care Providers to job shadow, to meet professional and agency needs, participate in workshops, internal working groups, local and provincial conferences as well as online training.

All Educators, Home Child Care Providers, students and volunteers will read the Program Statement and sign off, as part of AllSteps Child Care Policies and Procedures, prior to employment or prior to interacting with children, and when the statement has been modified, and on an annual basis. The Supervisor of each program will ensure that the educators, home child care providers, students or volunteers are fully aware, and understands the Program Statement and its implementation.

AllSteps Child Care through pedagogical documentation will illustrate how the approaches are being implemented into the program. This will ensure our approaches in the program statement are being implemented when they cannot be observed. **We will document and review the impact of our approaches on the lives of the children and their families** by applying the following strategies:

- Staff and management meetings to discuss the implementation of the program statement
- Family surveys
- Staff Performance Reviews

Our Mission Statement

As leaders in child-centred learning and development, we partner with families and our community to help children become all they can be.

Our Vision Statement

Enrich, Explore, Belong...with trust.

Values:

Belonging – Inclusive, Caring, Connective

Engagement – Communicative, Experienced, Supportive

Expression – Creative, Explorative, Inquisitive

Well-Being – Dedicated, Trust-worthy, Compassionate

Waiting List

AllSteps Child Care (A.C.C.) will develop and hold a Waiting List so that each program can operate at its fullest capacity.

The waiting list will ensure equitable access to quality child care for families using Limestone Programs. A.C.C. will provide the waitlist in a manner that maintains the privacy and confidentiality of the children listed on it, but allows the position of the child on the list to be ascertained by the affected persons or families.

Procedure

- 1) City of Kingston Centralized Waitlist can be accessed by parents.
- 2) The waiting list will be managed by and placement confirmed by the Program Director.
- 3) The waiting list at programs through A.C.C. may be accessed by phone or in person.
- 4) Parents will be required to check in with the program every 4 months to update any information and to confirm ongoing interest in the space.
- 5) Contact information must be current or the family will be removed from the list.
- 6) Placement on the waiting list is not a guarantee of a space for a child.

- 7) Fee Subsidized and Full Fee paying families will be given equal priority on the waiting list.
- 8) Priority may be given to families meeting certain criteria, specific to each program, as outlined in Parent Handbooks and below.
- 9) The waiting list is prioritized by date of application and or date of care required.
- 10) If a space is offered to a family and it is declined, the child's name will go to the bottom of the waiting list.
- 11) Parents will be notified 3 times of space available (dates will be documented) and if no reply, their names will be removed from the list.
- 12) The expected date of delivery/birth of a child will be accepted. Parents have the responsibility to notify the program no later than one month after the birth of the child to confirm their space on the wait list.
- 13) Cancellation – A.C.C. has a 2 “no show” policy where families can only miss their appointment for orientation prior to the program twice, before their child's name is moved to the bottom of the wait list.

Admission Priorities

The Board recognizes that each program will set admission priorities to best meet the needs of the immediate community. Woodbine Early Learning Centre recognizes the following admission priorities:

1. Children currently enrolled in the centre and wish to move from part time to full time.
2. Siblings of children currently enrolled.
3. Children of AllSteps Staff.
4. Children currently enrolled in AllSteps programs.
5. Date of application and/or date of care required.

Admission Policy

The Director is responsible for the admission of the children. When you first register your child, and once every successive year, you will be asked to update the following documents:

1. **Registration Forms:** current address and other relevant information.
2. **Medical Forms:** all children admitted to the program must:
 - Be immunized as stipulated by the local medical officer of health (refer to **Appendix A** for a list of immunizations required by the Board of Health for all children).
 - Have on file a medical information sheet which been completed by the child's parents.
 - Permission to administer prescription medication when necessary, and according to specific conditions.

3. **Access to Child:**

AllSteps Child Care is committed to ensuring the safety of all the children in our programs. It is important that the following procedures are carefully followed:

- If in the judgement of staff, the pick-up person is not in a condition to transport the child home safely, then the staff will help to make alternate arrangements.
 - a) contact an alternate person
 - b) ask for car keys
 - c) call a taxi
 - d) failing all attempts, inform person you will be calling the police with a description of the car and the license plate.
- As per C.C.E.Y.A., no person providing child care, or operating a premises at which child care is provided, shall prevent a parent from having access to his or her child except,
 - a) If a person believes on reasonable grounds that the parent does not have legal right of access to the child; or
 - b) If the circumstances prescribed by regulations.
(C.C.E.Y.A.;2014,ss.10(1) (6.1))

4. **Permission for Photographs:** in order to protect the privacy of children in our program, anyone wishing to take photographs must obtain appropriate releases and permissions before proceeding.

Safe Arrival and Dismissal Policy

Purpose

This policy and the procedures within help support the safe arrival and dismissal of children receiving care.

This policy will provide staff, students, and volunteers with a clear understanding of their roles and responsibilities for ensuring the safe arrival and dismissal of children receiving care, including what steps are to be taken when a child does not arrive at the child care centre as expected, as well as steps to follow to ensure the safe dismissal of children.

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for policies and procedures regarding the safe arrival and dismissal of children in care.

Policy

AllSteps Child Care will ensure that any child receiving child care at the child care centre is only released to the child's parent/guardian or an individual that the parent/guardian has provided authorization (note, text, phone call, email, in person) the child care centre may release the child to.

AllSteps Child Care will only dismiss children into the care of their parent/guardian or another authorized individual. The centre will not release any children from care without supervision.

- Where a child does not arrive in care as expected or is not picked up as expected, staff must follow the safe arrival and dismissal procedures set out below.

Procedures

Accepting a child into care

1. When accepting a child into care at the time of drop-off, program staff in the room must:
 - greet the parent/guardian and child.
 - If the parent/guardian has indicated that someone other than the child's parent/guardians will be picking up, the staff must confirm that the person is listed on the emergency enrollment form/emergency card [or where the individual is not listed, ask the parent/guardian to provide authorization for pick-up in writing (or note, text, phone call, email, in person)
 - document the change in pick-up procedure in the daily written record.
 - sign the child in on the classroom attendance record.
 - Messages may be communicated during the day from parents/guardians as well and will be documented in the daily written record.

Where a child has not arrived in care as expected

1. Where a child does not arrive at the child care centre and the parent/guardian has not communicated a change in drop-off (e.g., left a voice message or advised the closing staff at pick-up), the staff in the classroom must:
 - inform the supervisor/ program staff and they must commence contacting the child's parent/guardian no later than 10:00 a.m. Staff shall attempt to contact the child's parent/guardian at least once via phone call, send text message or email via program's communication app. If no response is received staff will leave a message.
 - Should staff not be able to confirm the child's absence from care within 30 minutes of initial attempt, they will contact emergency numbers noted on the child's file and leave a message.
 - For children not arriving at an afterschool program within 10 minutes after they are expected to arrive, staff will check attendance with school admin staff. If the child is confirmed to have been in attendance at school, staff will check via bus line up (if applicable) and then contact the parent/guardian at least once via phone call, send a text message, email, or communication app. If no response is received, staff will leave a message. Should staff not be able to confirm the child's absence from care within 5 minutes of initial attempt, they will contact emergency numbers noted on the child's file and leave a message if no response.
2. Program staff shall document the child's absence on the attendance record and any additional information about the child's absence in the daily written record.

Releasing a child from care

1. The staff who is supervising the child at the time of pick-up shall only release the child to the child's parent/guardian or individual that the parent/guardian has provided authorization (note, text, phone call, email, in person) that the child care may release the child to. Where the staff does not know the individual picking up the child (i.e., parent/guardian or authorized individual),
 - confirm with another staff member that the individual picking up is the child's parent/guardian/authorized individual.
 - where the above is not possible, ask the parent/guardian/authorized individual for photo identification and confirm the individual's information against the parent/guardian/authorized individual's name on the child's file or written authorization.

Where a child has not been picked up as expected (before centre closes)

1. Where a parent/guardian has previously communicated with the staff a specific time or timeframe that their child is to be picked up from care and the child has not been picked up 15 minutes before closing, the supervisor/program staff shall contact the parent/guardian by phone call, text message, email or program's communication app. and advise that the child is still in care and has not been picked up.
 - Where the staff is unable to reach the parent/guardian, staff must [call, text, email, use program communication app again and leave a message for the parent/guardian. Where the individual picking up the child is an authorized individual and their contact information is available, the staff shall proceed with contacting the individual to confirm pick-up as per the parent/guardian's instructions or leave a voice message to contact the centre.
 - Where the staff has not heard back from the parent/guardian or authorized individual who was to pick up the child the staff shall contact emergency contacts.

Where a child has not been picked up and the centre is closed

1. Where a parent/guardian or authorized individual who was supposed to pick up a child from care and has not arrived by closing, staff shall ensure that the child is given a snack and activity, while they await their pick-up.
2. The staff shall stay with the child, while calling the parent/guardian to advise that the child is still in care and inquire their pick-up time. In the case where the person picking up the child is an authorized individual, the staff shall proceed to contact the authorized individual responsible for pick-up.
3. If the staff is unable to reach the parent/guardian or authorized individual who was responsible for picking up the child, the staff shall contact the emergency contacts listed on the child's file, and continue contacting via phone, email, text, communication app.
4. Where the staff is unable to reach the parent/guardian or any other authorized individual listed on the child's file (e.g., the emergency contacts) by one hour after closing, the staff shall proceed with contacting the local Family and Children's Services (F.C.S.) at 613-545-3227. Staff shall follow the F.C.S.'s direction with respect to next steps.

Dismissing a child from care without supervision procedures

Staff will only release children from care to the parent/guardian or other authorized adult. Under no circumstances will children be released from care to walk home alone.

Routines

Young children depend on regular routines for their sense of security and self-confidence.

We request that you establish fixed hours for bringing your child to and from the program in order to help us schedule our staffing efficiently and effectively. Should these hours change, even for one day, please provide staff with as much notice as possible.

We request that all children arrive at their regular time unless there is a medical or family reason. Late arrivals tend to disrupt the programming. Please call the program if you are going to be arriving after 10:00 am.

When you arrive please:

1. Help your child with outer garment and put them in the assigned cubby.
2. Advise the staff that your child is present. For your child's safety, never just drop off your child. Please schedule enough time in the morning to see that your child is happily settled.

When picking up your child, please:

1. Advise staff of your arrival. The staff members will want to inform you about your child's day.
2. Since pick-up time can be somewhat chaotic, we request that you help the staff by keeping an eye on your child while you are preparing to leave.
3. While parents are at the program, care of the child is considered a joint responsibility between the staff and the parents.
4. When you arrive or leave the program, please ensure that the gate is closed. This is to ensure the safety of the children.

Prohibited Practice

When a child's behaviour needs to be redirected, staff will:

1. Sit down with the child and discuss the situation in a positive manner, at a level that is appropriate to his or her age, and in accordance with the behaviour.
2. Ask your child what he/she could do differently the next time.

This approach to discipline is used to promote self-discipline; ensure health and safety; and to teach respect to others' rights and privileges. Respect for other people's feelings is also instilled in the children.

The following prohibited practice policy applies to all staff, students, volunteers, parents while on premises and all others dealing with children in the programs of AllSteps Child Care (A.C.C.).

The following practices are not permitted:

- corporal punishment of the child;
- physical restraint of the child, such as confining the child to a high chair, car seat, stroller or other device for the purposes of discipline or in lieu of supervision, unless the physical restraint is for the purpose of preventing a child from hurting himself, herself or someone else, and is used only as a last resort and only until the risk of injury is no longer imminent;
- locking the exits of the child care centre or home child care premises for the purpose of confining the child, or confining the child in an area or room without adult supervision, unless such confinement occurs during an emergency and is required as part of the licensee's emergency management policies and procedures;
- use of harsh or degrading measures or threats or use of derogatory language directed at or used in the presence of a child that would humiliate, shame or frighten the child or undermine his or her self-respect, dignity or self-worth;
- depriving the child of basic needs including food, drink, shelter, sleep, toilet use, clothing or bedding; or
- inflicting any bodily harm on children including making children eat or drink against their will.

The following practices are permitted and encouraged:

- Educators and Home Child Care Providers will encourage children to interact and communicate in a positive way and support their ability to self-regulate by developing their self-regulation capacities. We will design our environments so they are attuned to children's varied sensitivities, arousal states, a need for maintaining a calm, focused, and alert state. We will support self-soothing behaviours and help older children to recognize stressors

Child care program staff and home child care providers are required to inform parents at time of pick-up of any behaviour problems or disciplinary action taken that day.

Use of obscene or profane language by staff, parents or children will not be tolerated on the premises of the program.

Clothing and Possessions

Your child should be dressed in clothing that is appropriate for physical activity, the season, and the weather. A second set of inside or play time clothing should be kept at the program in case of accidents.

To encourage independence, we ask that the clothing your child wears be easy for them to put on and to remove.

Full Day Program: Please supply your child with a toothbrush, hairbrush, blanket for nap time, and if desired a stuffed animal.

Please use a permanent marker or tape to mark all your children's belongings – clothes, books and toys – with their name.

We regret that the program cannot be held responsible for lost or damaged items.

Fee Payment

We are a non profit organization. Our program depends upon parents fulfilling their financial obligation promptly and willingly in order to function smoothly.

Child care needs to be pre-paid at the beginning of the calendar month. Any additional days of care are to be paid by the end of the calendar month.

Cheques should be made out to Woodbine Early Learning Centre or AllSteps Child Care.

Families with outstanding fees will be notified and expected to make payment in full immediately.

A charge of \$10.00 will apply to all N.S.F. or returned cheques. When a parent provides AllSteps Child Care with two N.S.F. cheques, we will no longer accept uncertified cheques for payment.

Our policy on payment is based upon the child's enrolment. Therefore, parents must pay for sick days, holidays, and statutory holidays. The only exception is in the event that we cannot provide care.

Every effort is made to keep cost and hence fees as low as possible. However, if fees have to be raised, we will give you at least four (4) weeks notice.

Receipts

QuickBooks payment receipts for income tax purposes will be emailed each time a payment is made.

Fee Assistance

If a family is in need of fee assistance please contact the Supervisor.

Withdrawal

Parents are required to provide two (2) weeks written notice of withdrawal of their child from the program.

Discharge Policy

If parents do not abide by the policies of the program and consistently break the policies outlined in the Parent's Handbook, the parent may be asked to withdraw their child(ren) from the program.

Late Pick-Up Fees

All parents and children are responsible to leave the program by closing time. Any families remaining after this time will be charged the following:

- \$5.00 for the first 5 minutes
- \$10.00 for any part of 10 minutes thereafter

Late fees are owed to staff as compensation for their personal inconvenience. Fees not paid directly to staff will be collected by the Director of the centre. We reserve the right to discontinue child care services for parents in contravention of this procedure.

Termination of Child Care Services

To ensure a consistent and fair approach to terminating the child care contract between a family and an A.C.C. program.

A.C.C. has the right to terminate a child care contract with a family, with or without notice, for reasons described below. This policy is applicable to all families who contract the services of any A.C.C. program.

Termination with notice for the following reasons:

- Lateness and/or non-payment of fees
- Habitual use of late fees
- Extreme Behaviour of Children – Termination of Care

Procedure:

First Incident – The Director of the program will provide the parent with a verbal warning.

Second Incident – The Director of the program will provide the parent with a written warning.

Third Incident – The Director of the program will provide the family with a written notice of termination of care.

Termination without notice for the following reasons:

- Harassment of children, staff and/or other parents on a A.C.C. premise
- Violent behaviour on a A.C.C. premise
- Destructive behaviour on a A.C.C. premise

Procedure:

- The staff on duty will call the police if the situation warrants.
- The staff on duty will contact the alternate parent or contact person to pick up the child(ren) if applicable.
- The staff on duty will immediately notify the Director or Executive Director of the incident.
- The Program Director or designate will verbally contact the family notifying them of the termination of care within 12 hours of the incident. Note: every attempt will be made to speak with the parent, guardian or emergency contact. Failing to contact, a message will be left for the family.
- The staff on duty will provide the Director and Executive Director with a Serious Occurrence report.
- The Executive Director will provide written notice of the immediate termination of care along with a cheque for the balance of pre-paid fees within 2 weeks of the termination.

Extreme Behaviour of Children – Termination of Service

To ensure that each child participating in a A.C.C. program is in a safe and nurturing environment.

Children exhibiting extreme behaviour may be terminated from a A.C.C. program for the following reasons;

The child;

- Maliciously injures another child, staff, and/or other adults while in the program.
- Intentionally causes damage or destruction of property while in the program.
- Intentionally causes disruption of the program that is felt to endanger the health and safety of others.
- Persistently uses language deemed “inappropriate” by the program staff.

Procedure:

First incident:

1. The Director will document the incident noting the date, time, behaviour and action taken.
2. The Director will contact the parent(s)/guardian(s) requesting a meeting within 48 hours of the incident.
3. The Director and parent(s)/guardian(s) will review existing policy, circumstances of the incident, create and sign off on an action plan to address the behaviour in question.

Second incident:

1. The Director will contact the parent(s)/guardian(s) to immediately collect the child for the remainder of the day
2. The Director and the parent(s)/guardian(s) together will review the action plan.

Third Incident:

1. The Director will contact the parent(s)/guardian(s) to immediately collect the child.
2. The contract of care with the child will be terminated immediately and the balance or prepaid fees will be reimbursed within 2 weeks.

Extreme Behaviour of Adults – Termination of Service

To ensure that each person participating in a A.C.C. program is in a safe and nurturing environment.

Adults exhibiting extreme behaviour may be told to leave a A.C.C. program for the following reasons;

The adult;

- Maliciously injures a child, staff, and/or other adults while in the program.
- Intentionally causes damage or destruction of property while in the program.
- Intentionally causes disruption of the program that is felt to endanger the health and safety of others.
- Threatens or harasses others
- Persistently uses language deemed “inappropriate” by the program staff.

Procedure:

1. Staff will ask the offender to leave the premises.
2. Police will be contacted immediately if necessary.
3. Appropriate reporting procedures will be followed (i.e. C.A.S., Serious Occurrence)

Notes of consideration:

1. Police will be called immediately.
2. If safe to do so, the offending person will be told to leave the premises immediately. If it is safe to do so, families, children, staff and volunteers will be guided to a safe place within the building, away for the offending person
3. When the police arrive, the offending person will be informed that he/she is not welcome to return to any A.C.C. program.
4. A Serious Occurrence form will be submitted by staff in charge to the Program Director and copied to the Executive Director.

Absenteeism/Sick Days

Regular attendance is required if your child’s space is subsidized. Daily attendance will maintain your child’s space as per City of Kingston Fee Assistance approval letters.

If absenteeism is a concern, the Director will discuss the issue with the parent(s).

Sick days and incidental absenteeism are subject to fee payment by parents. If absenteeism is a concern, the Director will discuss this issue with the parent(s).

Sick Children

If your child becomes ill during the day, temporary care will be provided until you arrive to take your child home.

Once you have been notified that your child is sick, we expect that you will pick up your child as soon as possible. This is necessary to safeguard your child and also to prevent other children from becoming ill.

If your child is sick and unable to attend the program, please phone. If a child is sick and unable to attend the program, fees still apply for the days absent.

If a contagious illness is contracted by a child, the program will follow the incubation periods set down by the K.F.L.&.A. Health Unit. In this case, the child may return to the program without a doctor's certificate.

Medication

Staff of Woodbine Early Learning Centre will only administer **prescription** medication on the following conditions:

1. The staff will administer prescription medication to a child at the specific request of parents.
2. Parents must complete and sign a medication form and update as per policy.
3. The medication must be in the original pharmacy container and clearly labeled with the child's name, the date of the prescription, the name of the medication and instructions for the administration and storage of the medication.
4. Medication will be locked with a note indicating the circumstances and returned to parent upon pickup if medication is left in child's bag.

Non-prescription - "over the counter" - medications will only be given to children with written instructions from a physician.

Life Threatening/Anaphylactic Allergies –

A.C.C. will attempt to provide an allergen safe environment for children with potential life threatening/anaphylactic allergies.

Anaphylaxis means a severe systemic allergic reaction which can be fatal, resulting in circulatory collapse or shock.

Upon registration into a program any medical condition including whether children are at risk of anaphylaxis and asthma must be disclosed by the parent.

Parents are encouraged to have their child wear a medical identification, i.e. medical alert bracelet.

Children with life threatening allergies will not be permitted to stay in the care of the centre without emergency medication on site.

Each parent will receive a letter which includes information regarding life-threatening allergies.

- Ask the caterer or cook to provide the known ingredients for all food provided. The ingredients will be reviewed before food is served to children to verify that causative agents are not served to children with anaphylactic allergies.
- In cases where a child has food allergies and the meals and snacks provided by the child care centre cannot meet the child's needs, ask the child's parent to supply snacks/meals for their child. All written instructions for diet provided by a parent will be implemented.
- Ensure that parents label food brought to the child care centre with the child's full name and the date the food arrived at the child care centre, and that parents advise of all ingredients.
- Where food is provided from home for children, staff will ensure that appropriate supervision of children is maintained so that food is not shared or exchanged.
- Encourage parents who serve foods containing allergens at home to ensure their child has been rid of the allergens prior to attending the child care centre (e.g. by thoroughly washing hands, brushing teeth, etc.)

Holidays

If a child is withdrawn from the program for vacation and the parents want the school to hold the space, the regular daily fee must be paid.

If parents want to re-enrol a child and choose not to hold the space by paying the daily fee, the child's name will be placed on the waiting list.

Holidays observed where program is closed:

New Year's Day
Good Friday

Family Day
Easter Monday

Victoria Day
Civic Holiday
Thanksgiving Day
Boxing Day

Canada Day
Labour Day
Christmas Day

Half Day program will be closed during the Christmas Holidays (same as the School Board).

Field Trips

As part of the program of activities, the Board encourages teachers to take children on outings to Libraries, Museums, etc. in the community.

Pre-arranged trips will be posted on the Parent's Bulletin Board stating: the date of the trip, destination, and fee (if applicable). Parents will be asked to sign a permission slip prior to the trip.

Impromptu outings within walking distance of the Program will not be posted.

Partial day trips within the Kingston area will be posted at least two (2) days in advance. These trips would run during program hours and the staff and children would use public transportation. Parents may be invited to accompany the children. If parents do not want their child(ren) to attend trips, parents will make alternate arrangements for the period of time in question. However, the normal fees for care must be paid.

Nutrition

Half Day Program:

Snacks are provided by parents.

- Snacks must include two food groups from Health Canada's - "Eating Well with Canada's Food Guide" or "Eating Well with Canada's Food Guide – First Nations, Inuit and Metis".
- Parents must ensure that their child's snack is nut free, nutritious and dentally sound.
- Containers must be labeled with the child's name.
- Examples of recommended food items include:
Crackers/Cheese/Yogurt/Fruit/Veggies & Dip
- Drinking water will be available at all times.

Permission for Woodbine Early Learning Centre to give the snacks you have provided is included in the registration package.

Full Day Program:

Menu plans are posted in the program, and include snacks in the morning and the afternoon as well as lunch. All meals, snacks and beverages will meet the recommendations set out in the Health Canada documents “Eating Well with Canada’s Food Guide”, “Eating Well with Canada’s Food Guide – First Nations, Inuit and Metis” or “Nutrition for Healthy Term Infants”. Drinking water will be available at all times. Children bringing own food for medical reasons, please consider the following:

- Parents must ensure that their child’s snack/food is nut free.
- Containers must be labeled with the child’s name.

Please see Supervisor for suggestions of recommended food items.

Special Treats

We do not permit food related treats to be brought into the program because of allergies. If you would like to bring in something to celebrate a special occasion with us, please ask one of the staff for suggestions.

Outdoor Play

The **Half Day Program** takes the children outside on occasion. If your child is too sick to play outside, then he/she is too sick to attend the program.

Full Day Program:

Provincial regulations require daily outdoor play for each child. If your child is too sick to play outside, then he/she is too sick to attend the program.

Toddler children will be separated from other children during outdoor activities.

Human Rights Policy

The Board of A.C.C. believes that everyone – staff, parents, children, and volunteers – has the right to be treated with dignity.

The Human Rights Code provides that every person has the right to freedom from discrimination on the grounds of:

- race
- sex
- place of origin
- ethnic origin
- creed
- ancestry
- handicap
- sexual orientation
- citizenship
- age

Persons with Human Immunodeficiency Virus (H.I.V.) infections are protected from discrimination by the Canadian Human Rights Code. AllSteps Child Care acknowledges the right to privacy of any child, employee, or parent with AIDS.

Children who are H.I.V. positive have:

- the right to attend program as long as they are able to do so without risk to that child and health of other children or adults
- the right to privacy and confidentiality. Disclosure of information is subject to consent by parent(s) or legal guardians.

All employees of A.C.C. will abide by this policy and refrain from inappropriate comments associated with our programs.

Families may not be refused care for any of the above reasons.

Children with Special Needs

Woodbine Early Learning Centre is an inclusive program and is committed to providing services to all children.

Parents are required to seek appropriate support services with the Supervisor. The program works together with community agencies to develop and implement IPP's so that the needs of all children can be met.

Program Evaluation

Our program is evaluated on a regular basis to ensure any changes in the regulations in the Child Care and Early Years Act are incorporated in our operation.

We are licensed by the Ministry of Education and our program and premises are inspected annually to ensure compliance with the regulations of the Child Care and Early Years Act.

All serious occurrences (i.e. a fire, injury to a child or staff, etc.) must be reported to the Ministry by our staff.

Serious Occurrences

The safety and well-being of our children in licensed child care programs is the highest priority. Operators of licensed child care programs work diligently to provide a safe, creative and nurturing environment for each child. In spite of all the best precautions, serious occurrences can sometimes take place.

To support increased transparency and access to information, a “Serious Occurrence Notification Form” must be posted at the centre or home location in a visible area for 10 days.

Where serious occurrences are updated or revised, the summary should also be updated to reflect this change.

Definition of a serious occurrence is as follows:

- 1) the death of a child who receives child care at a licensed home premises or child care centre;
- 2) abuse, neglect or an allegation of abuse or neglect of a child while receiving child care at a licensed home premises or child care centre;
- 3) a life-threatening injury to or a life-threatening illness of a child who receives child care at a licensed home premises or child care centre;
- 4) an incident where a child who receives child care at a licensed home premises or child care centre goes missing or is temporarily unsupervised, or
- 5) an unplanned disruption of the normal operations of a licensed home premises or child care centre that poses a risk to the health, safety or well-being of children receiving care at a licensed home premises or child care centre.

Licensed child care centres are already required to report serious occurrences, while respecting the privacy of the individuals involved. Longer-term actions taken by the operator will also be included to help prevent similar incidents in the future, where applicable.

Many factors may lead to a serious occurrence report. A serious occurrence does not necessarily mean that an operator is out of compliance with licensing requirements or that children are at risk in the child care program.

Police Record Check Policy

AllSteps Child Care will obtain a Vulnerable Sector Check (V.S.C.) for all employees, volunteers and students who interact with children before beginning employment and every three years after. An Offence Declaration will be obtained annually except when a V.S.C. is required.

Comments/Concerns

Since we are providing care for your children, it is normal for you as parents to have concerns from time to time.

It is important for you to voice these concerns so that our care for the children continues to be at a high quality level.

The first step is for you to mention your concern to the teacher/ home child care provider supervising your child.

If the nature of the problem is a sensitive one, please do not hesitate to talk to the Director of the Program.

If it is not within the staff's power to help you, they will refer you to the Executive Director.

Parent Input/Involvement

For the program to meet your children's needs, we recommend that all parents take the time to keep staff informed of important issues at home that may affect your child.

The Board encourages parent participation and involvement in our programs and in program development.

Parent Issues & Concerns

The purpose of this policy is to provide a transparent process for parents/guardians, the child care licensee and staff to use when parents/guardians bring forward issues/concerns.

Definitions:

Licensee: The individual or agency licensed by the Ministry of Education responsible for the operation and management of each child care centre it operates (i.e. the operator).

Staff: Individual employed by the licensee (e.g. program room staff).

Participant: Individual attending a family support program

Policy:

Parents/guardians are encouraged to take an active role in our child care centre and regularly discuss what their child(ren) are experiencing with our program. As supported by our program statement, we support positive and responsive interactions among the children, parents/guardians and staff, and foster the engagement of and ongoing communication with parents/guardians about the program and their children. Our staff are available to engage parents/guardians in conversations and support a positive experience during every interaction.

All issues and concerns raised by parents/guardians are taken seriously by all staff and will be addressed. Every effort will be made to address and resolve issues and concerns to the satisfaction of all parties and as quickly as possible.

Issues/concerns may be brought forward verbally or in writing. Responses and outcomes will be provided verbally, or in writing upon request. The level of detail provided to the parent/guardian will respect and maintain the confidentiality of all parties involved.

An initial response to an issue or concern will be provided to parents/guardians within 10 business day(s). The person who raised the issue/concern will be kept informed throughout the resolution process.

Investigations of issues and concerns will be fair, impartial and respectful to parties involved.

Confidentiality:

Every issue and concern will be treated confidentially and every effort will be made to protect the privacy of parents/guardians, children, staff, students and volunteers, except when information must be disclosed for legal reasons (e.g. to the Ministry of Education, College of Early Childhood Educators, law enforcement authorities or a Children's Aid Society).

Conduct:

AllSteps Child Care maintains high standards for positive interaction, communication and role-modeling for children. Harassment and discrimination will therefore not be tolerated from any party.

If at any point a parent/guardian or staff feel uncomfortable, threatened, abused or belittled, they may immediately end the conversation and report the situation to the supervisor and/or licensee.

Concerns about the Suspected Abuse or Neglect of a child

Everyone, including members of the public and professionals who work closely with children, is required by law to report suspected cases of child abuse or neglect.

If a parent/guardian expresses concerns that a child is being abused or neglected, the parent will be advised to contact the [local Children's Aid Society](#) (C.A.S.) directly.

Persons who become aware of such concerns are also responsible for reporting this information to C.A.S. as per the "Duty to Report" requirement under the *Child and Family Services Act*.

Sleep Supervision

Children’s sleep and rest play an integral part in a child’s well-being and development.

The procedures provided for placing children under 12 months of age on their own backs for sleep align with the requirement to meet the recommendations set out in Health Canada’s document entitled “[Joint Statement on Safe Sleep: Preventing Sudden Infant Deaths in Canada](#)”.

Procedures for monitoring sleeping children reduce the risk of harm or injury so that caregivers can look for and identify signs of distress and implement immediate responses to protect the health and safety of children.

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for sleep policies for child care centres.

General

- All children will be provided with the opportunity to sleep or engage in quiet activities based on their needs.

- Children under 12 months of age will be provided time to sleep based on their individual schedules, and will be assigned to a crib/cradle. Children between 12-18 months of age, who receive child care for six hours or more, will be assigned to a crib/cradle or cot in accordance with written instructions from a child's parent.
- Only light, breathable blankets will be used for infants.
- Children 18 months or older but younger than 30 months, who receive child care for six hours or more, will be provided time to sleep for a period of no more than two hours each day, and will be assigned to a cot.
- Children 30 months or older but younger than six years old, who receive child care for six hours or more, will be provided with a cot unless otherwise approved by a director.
- Children 24 months or older but younger than five years old and in a licensed family age group, who receive child care for six hours or more, will be provided with a cot unless otherwise approved by a director.
- Where children are sleeping in a separate sleep room or area, their names will be listed on the bed plan so that staff can immediately identify which children are present in the room/area.

Placement of Children for Sleep

- Children under 12 months of age will be placed in their assigned cribs/cradles for sleep.
- All children who are younger than 12 months of age will be placed on their backs to sleep in accordance with the recommendations set out in Health Canada's document entitled "[Joint Statement on Safe Sleep: Preventing Sudden Infant Deaths in Canada](#)", unless other instructions are provided in writing by the child's physician. Parents of these children will be advised of the centre's obligation to place their child(ren) to sleep on their backs.
- Children between 12 and 18 months of age will be placed in their assigned cribs, cradles or cots for sleep.
- Children over 18 months of age who sleep will be placed on individual cots for sleep.

Consultation with Parents

- All parents of children who regularly sleep at the child care centre will be advised of the centre's policies and procedures regarding sleep at the time of their child's enrolment and/or any time the policies and procedures are revised, as applicable. This information will be available to parents in the parent handbook.

- Program Director/Supervisor/Staff will consult with parents about their child's sleeping arrangements at the time of enrolment and at any other appropriate time (e.g. when a child transitions to a new program or room, or at the parent's request).
- Written documentation will be kept in each child's file to reflect the sleep patterns identified by their parent, and updates to the documentation will be made whenever changes are communicated to the child care centre.
- All sleep arrangements will be communicated to program staff by the Program Director/Supervisor after meeting with the parent/guardian.
- Parents will be advised by the supervising staff of any significant changes in their child's behaviours during sleep and/or sleeping patterns.
- Staff will document their observations of changes in a child's sleep behaviours in the daily written record.
- Any changes in sleep behaviours will result in adjustments being made to the child's supervision during sleep time, where appropriate, based on consultation with the child's parent.
- Any updates to staff from parents regarding children sleep arrangements, will be communicated to Program Director/Supervisor.

Direct Visual Checks

- Direct visual checks of **each** sleeping child (i.e. every child placed for sleep in a crib/cradle or cot) will be conducted to look for indicators of distress or unusual behaviours. Direct visual checks will be documented by staff in the sleep log.
- Direct visual checks are not required for children engaging in quiet activities, but these children will be supervised at all times.
- For infants (children under 18 months of age), direct visual checks will be completed at a frequency based on consultation with each parent and may be increased based on the observed sleeping patterns and/or medical needs of each infant.
- The frequency of direct visual checks and the steps to complete them will depend on the typical sleep patterns of each child and their age, as identified in the sleep supervision procedures provided in this policy.
- Staff will ensure that all sleep areas have adequate lighting available to conduct the direct visual checks of sleeping children.

Use of Electronic Devices

- Where electronic devices are used to monitor children's sleep, staff will:
 - **not use electronic sleep monitoring devices to replace direct visual checks;**

- check the monitor daily to verify that it is functioning properly (i.e. it is able to detect and monitor the sounds and, if applicable, video images of every sleeping child); and
- actively monitor each electronic device at all times.

Procedures

Age Group	Frequency of Direct Visual Checks*
Infant	According to each infant's needs as identified by their parent, or at least every 15 minutes.
Toddler	Every 30 minutes.
Preschool and/or Kindergarten (where applicable)	Every 30 minutes.
Family Age Group	Every 30 minutes.

* **This is the minimum frequency of direct visual checks.** Should a child have symptoms of illness (e.g. a cold) or if there are other issues or concerns related to the child's health, safety and well-being during sleep, the frequency of direct visual checks must be increased. The individual needs of each child during sleep as identified by the parent and/or the child's physician must be followed at all times.

Procedures for Completing Direct Visual Checks

1. Staff must:
 - i. be physically present beside the child;
 - ii. check each child's general well-being by looking for signs of distress or discomfort including, at a minimum:
 - laboured breathing;
 - changes in skin temperature;
 - changes in lip and/or skin colour;
 - whimpering or crying; and
 - lack of response to touch or voice.
2. Where signs of distress or discomfort are observed, the staff who conducted the direct visual check must attempt to wake the child up. Where no signs of distress or discomfort are observed, proceed to step 3.

a) Where the child wakes up, staff must:

- i. attend to the child's needs;
- ii. separate the child from other children if the child appears to be ill;
- iii. document the incident in the daily written record and in the child's symptoms of ill health record, where applicable.

b) Where the child does not wake up, staff must immediately:

- i. perform appropriate first aid and CPR, if required;
- ii. inform other staff, students and volunteers in the room of the situation;
- iii. contact emergency services or, where possible, direct another individual to contact emergency services;
- iv. separate the child from other children or vice versa if the child appears to be ill;
- v. inform the supervisor/designate of the situation; and
- vi. contact the child's parent;

c) Where the child must be taken home or to the hospital, the supervisor or designate must immediately:

- i. contact the child's parent to inform them of the situation and next steps.

d) Where the child's condition has stabilized, and/or after the child has been taken home and/or to the hospital, the staff who conducted the direct visual check and any staff who assisted with responding to the incident must:

- i. follow the serious occurrence policies and procedures, where applicable;
- ii. document the incident in the daily written record; and
- iii. document the child's symptoms of illness in the child's records.

3. Staff must:

- i. adjust blankets as needed;
- ii. ensure the child's head is not covered;
- iii. ensure there are no other risks of suffocation present;
- iv. document the date, time and initial each direct visual check on the room's sleep log; and
- v. verbally inform other staff in the room that the check has been completed, where applicable and possible.

Supervision of Volunteers and Students

AllSteps Child Care welcomes both placement students and volunteers into the various programs offered in our child care program. We believe it is a valuable part in gaining experience in a child care environment. Volunteers and students also play an important role in supporting staff in the daily operation of child care programs.

Policy:

- Students and volunteers will always be supervised by an employee and never permitted to be alone with any child or group of children who receive child care.
- Students and volunteers will not be counted in staff to child ratios.
- This does not apply in respect of a student who is on an educational placement with the licensee and also is an employee.
- AllSteps Child Care will comply with City of Kingston ByLaw 2003-13: To ensure mandatory volunteer screening is completed annually.

Bodies of Water

This policy is designed to keep children safe in an active environment in keeping with the Child Care and Early Years Act (C.C.E.Y.A.) and Ontario Regulation 137/15.

The Ministry of Education has implemented the following requirements for all licensed child care operators:

- The ministry supports play-based learning and sensory exploration and encourages the use of on-premise splash pads, sprinklers, hoses or water tables, under close supervision of adults at all time, as safer alternatives during cooling or play / sensory activities.
- Child care operators may decide to have children attend and use public pools (e.g. for swimming lessons). In this case, it is strongly recommended that children attend regulated “public pools” (see the *Health Promotion and Protection Act*, and Regulation 565 (Public Pools) where:
 - there is a qualified life-guard(s) on duty at all times in accordance with Regulation 565;
 - the rules of the public pool are followed;

- the children are accompanied and directly supervised by adults at all times (e.g. a person who is 18 years or older);
- Child Care and Early Years Act (C.C.E.Y.A.) ratios / maximum number of children receiving care in the H.C.C. locations are maintained at all times; and parents / guardians are advised of the field trip and have signed a consent form.
- All child care operators are encouraged to familiarize themselves with basic water / swimming safety tips – some sources of information regarding recommended enclosure specifications, safer water / swimming practices include:
 - Parachute Canada: Drowning Prevention – <https://parachute.ca/en/injury-topic/drowning/>
 - Caring for Kids: Water Safety for Young Children - https://www.caringforkids.cps.ca/handouts/water_safety
 - Red Cross: Swimming and Water Safety – https://www.redcross.org/content/dam/redcross/atg/PDF_s/SwimmingWaterSafety.pdf#
 - Life Saving Society: Working to Prevent Drowning and Water-Related Injury - <https://www.lifesavingsociety.com/>

City of Kingston **supervised** wading pools are acceptable.

City of Kingston splash pads are acceptable. Please note splash pads are not supervised by the City.

Emergency Management

Staff will follow the emergency response procedures outlined in the Emergency Management Policy (CCP-3K). Staff will ensure that children are kept safe, are accounted for and are supervised at all times during an emergency situation.

Communication with Parents/Guardians:

Parents/guardians will be notified of an emergency as soon as possible.

Where disasters have occurred that did not require evacuation of the child care centre, The Program Director/Supervisor/Designate in Charge will provide a notice of the

incident to parents/guardians in writing in the form of an email and or posted notice on entrance door or verbally by telephone, within 24 hours of the emergency.

If evacuation of the centre is required, the Program Director/Supervisor/Designate in Charge will post a note for parents/guardians on the child care centre entrance with information on the evacuation site, where it is possible and safe to do so. Upon arrival at the emergency evacuation site, the Program Director/Supervisor/Designate in Charge will notify parents/guardians of the emergency situation, evacuation and the location to pick up their children. Parents will be contacted directly by phone. The centre's voicemail will also be updated as soon as possible to inform parents/guardians that the centre has been evacuated, and include the details of the evacuation site location and contact information in the message.

Program Director/Supervisor/Designate in Charge will debrief parents/guardians after the emergency. The details of the emergency will be shared verbally or in writing within 24 hours of the emergency.

Should the program close due to an emergency (broken water pipes etc.), the staff will contact the parents. Parents should try to pick up their children within the hour. Alternate arrangements must be on file (i.e. if a grandparent or neighbour is going to pick up your child)

Programs and services will be closed whenever the safety of children is compromised. Cancellation includes but is not limited to: loss of electricity, no water, adverse water testing and foul weather.

In the event of a cancellation, a message will be put on the programs answering machine, Facebook (www.facebook.com/AllStepsChildCare), Twitter (www.twitter.com/AllStepsCC), Instagram (www.instagram.com/allstepschildcare) and a public announcement will be put on the radio.

Parents may not be responsible for fees should the program close and care cannot be provided.

Smoke Free Policy

The Smoke-Free Ontario Act, 2017 helps protect the health of all Ontarians by prohibiting smoking tobacco, medical cannabis and the use of electronic cigarettes in all enclosed workplaces and public areas. Under the Act, smoking is prohibited at all times in a child care centre whether or not children are present.

The Smoke-Free Ontario Act, 2017 prohibits smoking or holding lit tobacco in a child care centre and requires that licensees notify all employees that smoking and the use of electronic cigarettes is prohibited, post prescribed signage indicating that smoking is prohibited (i.e. “No Smoking” signs) at all entrances and exits, and ensure that there are no ashtrays or similar equipment at the child care centre. Licensees must ensure that any individual who refuses to comply with the requirements of the Smoke-Free Ontario Act, 2017 does not remain at the child care centre. Enforcement of the Smoke-Free Ontario Act, 2017 is the responsibility of the local medical officer of health, they are responsible for carrying out inspections and responding to complaints to enforce the Act. (The Smoke-Free Ontario Act, 2017 came into effect on July 1, 2018.)
